## TECUMSEH SEARCHING FOR ANGELS

The Town of Tecumseh is still searching for angels for the Snow and Leaf Angel Program. Several residents are looking for assistance with leaf raking and shoveling this winter.

“We refer to these volunteers as angels as they work magic for our seniors and individuals with disabilities,” said Gary McNamara, Mayor of Tecumseh. “We cannot provide the support to these individuals in Town without the dedication and support of our volunteers. Please consider being an angel here in Town this winter.

Snow and Leaf Angels are matched with seniors and persons with physical disabilities living in the Town to clear snow and leaves from Town sidewalks and driveway entrances. This year’s Program will run until **March 31, 2019**. Last year the program had seven angels cover more than 17 residences.

The Program is truly “the neighbourly thing to do” and is a great way for families to volunteer together, or for high school students to complete their 40 hours of community service.

Program details and how to volunteer can be found on the Town’s website, or by contacting Ext. 143. Seniors (those ages 65 or older) and persons with physical disabilities can also contact the Town to apply for assistance.
