

PROPERTY PROTECTION OPEN HOUSE

The Town of Tecumseh is bringing together a number of local suppliers and contractors as part of an Open House aimed at helping residents understand how to protect their homes from future weather events and pests.

At the Open House, representatives from local basement waterproofing, plumbing contractors/suppliers, as well as Tecumseh Home Hardware and pest control service providers will be available to provide information on how residents can protect their property. Members of the Public Works & Environmental Services Department and Building Department will also be on hand to answer questions about the Town's response to flooding, the property standards and maintenance by-laws, as well as how to report a property standards concern.

The Open House will be held:

When: Wednesday, April 24, 2019
6:00 pm – 8:00 pm

Where: l'Essor High School
13605 St. Gregory's Road
Tecumseh, ON

This is an open house style of meeting. Property owners will be free to speak to the contractors/suppliers and Town Administration directly. All are welcome to attend this informative evening.
