

## **Profile**

Joe Bachetti was re-elected to his second term as Deputy Mayor for the Town of Tecumseh in 2018 after having served as a municipal councillor since 1994. Joe is a long time resident of Tecumseh and resides at 1918 Corbi Lane with his wife Brenda (teacher at St. Pius X School) and three daughters, Daniela, Sabrina and Julia. He is a graduate from the University of Windsor with a B.A., B.Ed degrees with majors in Business, French and Education. He is an elementary school principal for the Windsor-Essex Catholic District School Board.

Joe wants to continue to work collaboratively with council and administration in making Tecumseh the best place to live and raise a family by maintaining affordable taxes, planned development, keeping our neighborhoods safe and clean along with being progressive and innovative.

- Past President – Tecumseh Seniors' Transit

### **Important Issues for 2018-2022**

- Maintain flood mitigating strategies and programs to assist residents
- Expand arena into a modern day facility for all age groups to benefit
- Important to improve our road systems to alleviate traffic congestion
- Need to continue with our CIP program to revitalize our Main Street corridor by providing incentives to land owners to improve and beautify their properties
- Foster regional cooperation to add a transit bus service to link routes in our region which allows easy access for students, seniors and people with special needs a necessary mode of transportation
- Prepare for succession planning with our senior administration
- Support more affordable homes especially for seniors on fixed incomes that want to stay and live in Tecumseh
- Paved Shoulders/Multi-Use Lanes - need to identify and construct more infrastructure for pedestrian and cycling safety
- Review customer service and implement a customer friendly system
- Address the rat population with property standard enforcement
- Enforce speeding throughout municipality
