EXPLANATORY NOTE

By-law No. 2025-034 is an amendment to Zoning By-law No. 1746 pertaining to lands currently designated Main Street Mixed-use in the Official Plan (see Schedule Key Map below for location) that are associated with Initiative No. 2 of the Housing Accelerator Fund. The amendment revises the existing zoning to pre-zone lands to allow “missing middle” housing forms and mid-rise apartments.

The amendment establishes new zoning regulations for the affected lands that will:

- i) permit missing middle housing including duplex dwellings, triplex dwellings, fourplex dwellings, cluster townhouse dwellings, stacked townhouse dwellings, and apartment dwellings and mixed-use apartment dwellings up to six storeys in height;
- ii) establish new lot regulations related to minimum lot area (400 sq. metres), minimum lot frontage (15 metres), maximum lot coverage (80%), and maximum building height (6 storeys); and
- iii) establish new yard regulations related to setbacks from lot lines, setbacks of upper storeys of buildings and location of parking areas.

Effect of Public Input on Council’s Decision

No public comments/concerns that were received by Council, regarding this proposed amendment at the Public Meeting held on March 11, 2025, remain outstanding.
