2.2 The provisions of this *By-Law* shall apply to all lands within the boundaries of the *Town* as are now or hereafter legally constituted.

2.3 Nothing in this *By-Law* shall serve to relieve any person from the obligation to comply with any other applicable law.

2.4 Should any, section, subsection, clause or provision of this *By-Law* be declared by a court of competent jurisdiction to be invalid, the same shall not

affect the validity of this *By-Law* as a whole or any part thereof, other than the part so declared to be invalid.

2.5 That *By-Law* 2018-19 of *The Corporation of the Town of Tecumseh* and any *By-Laws* or parts of *By-Laws* inconsistent with this *By-Law*, are hereby repealed in accordance with Section 15.

2.6 This *By-Law* shall come into force and take effect when it is finally passed.

3.0 List of Schedules

3.1 The following schedules are attached to and form a part of this *By-Law*:

- a) Schedule 1 – List of Applicable Forms Required for *Permit*
- b) Schedule 2.1 – Documents and Drawings Required for *Permit*
- c) Schedule 2.2 – Information Required on Drawings
- d) Schedule 3 – *Permit* Fee Rates; and
- e) Schedule 4 – Inspection Notices

4.0 Requirements to Obtain a *Permit*

4.1 The Ontario *Building Code Act* identifies the type of *construction* and/or change of use that requires a *permit* to be issued by the *Chief Building Official*.

5.0 Submission Requirements

5.1 General

- a) To obtain a *permit*, the *owner* or an agent authorized in writing by the *owner* shall:
 - i. file an application by completing a prescribed form available from the *Chief Building Official* and found in “Schedule 1” of this *By-Law*, or from the Ministry of Municipal Affairs’ website www.mah.gov.on.ca;
 - ii. identify and describe in detail the existing use(s) and the proposed use(s) for which the *building* is intended;
 - iii. describe the land on which the work is to be done using a description that will readily identify and locate the site on which the *building* or *demolition* will occur;
 - iv. be accompanied by the plans, documents and other information prescribed in Section 5.2 and “Schedule 2.1” of this *By-Law*;

- v. be accompanied by the applicable *permit* fees in accordance with “Schedule 3” of this *By-Law*;
- vi. include copies of any applicable approvals or *permits* from Municipal and Provincial authorities or agents, Committee of Adjustment decisions, easements and right of ways; and
- vii. where required by the *Building Code*, be accompanied by a signed acknowledgement from the *applicant*, architect and/or professional engineer certifying that an architect, professional engineer, or both have been retained to carry out the general review of the *construction* of the *building*.

5.2 Plans and Documents

- a) Every *applicant* shall *electronically submit* sufficient plans, specifications, documents and other information to enable the *Chief Building Official* to determine whether the proposed *building, construction, demolition, partial occupancy* or change of use will contravene the *Act*, the *Building Code* or any other Applicable Law.
- b) The *Chief Building Official* shall determine the plans, specifications, documents and other information required to be submitted with an application in order to deem it complete according to Sentence 1.3.1.3.(5), Division C of the *Building Code* having regard for:
 - i. the scope of the proposed work;
 - ii. the requirements of the *Building Code*, the *Act* and other Applicable Law; and
 - iii. the requirements of this Section and “Schedule 2.1” and “Schedule 2.2” of this *By-Law*.

5.3 Alternative Solutions

- a) Where an application for a *permit* or for authorization to make a material change to a plan, specification, document or other information on the basis of which a *permit* was issued, contains an *alternative solution* for which approval in accordance the *Building Code* is required, the applicant shall submit an Alternative Solutions Authorization form found in “Schedule 1” of this *By-Law* and include documentation in accordance with the *Building Code* together with any other information or documentation as required by the *Chief Building Official*.

6.0 Permit Application Types

6.1 Construction Permits

- a) In addition to the requirements of Section 5.0, when an application for a *construction permit* is made under Section 8 of the *Act*, the *applicant* shall submit to the *Chief Building Official* the following:

- i. Form A, Application for a *Permit to Construct or Demolish*, and other required forms as set out in “Schedule 1” of this *By-Law*; and
- ii. complete plans and specifications, documents, and other information as required by Sentence 1.3.1.3.(5), Division C of the *Building Code*, Applicable Law, and as prescribed in “Schedule 2.1” and “Schedule 2.2” of this *By-Law*.

6.2 *Demolition Permits*

- a) In addition to the requirements of Section 5.0, when an application for a *demolition permit* is made under Section 8 of the *Act*, the *applicant* shall submit to the *Chief Building Official* the following:
 - i. Form A, Application for a *Permit to Construct or Demolish*, and other required forms as set out in “Schedule 1” of this *By-Law*;
 - ii. complete plans and specifications, documents and other information as required by Sentence 1.3.1.1.(3) and Sentence 1.3.1.3.(5), Division C of the *Building Code*, Applicable Law, and as prescribed in “Schedule 2.1” and “Schedule 2.2” of this *By-Law*; and
 - iii. confirmation that:
 - a) arrangements have been made with the proper authorities for the safe and complete disconnection of all existing water, sewer, gas, electric, telephone and other utilities, and that the work has been completed; and
 - b) the *owner* will comply with the *Town’s Property Standards By-Law* at the completion of *demolition*.

6.3 *Conditional Permits*

- a) In addition to the requirements of Section 5.0, every application for a conditional *permit*, shall:
 - i. state the reasons why the *applicant* believes that unreasonable delays in construction would occur if a conditional *permit* is not granted; and
 - ii. state the necessary approvals which must be obtained in respect of the proposed *building* and the time in which such approvals will be obtained.
- b) The *Chief Building Official* may, where conditions and requirements imposed under the *Act* and this subsection have been fulfilled, issue a conditional *permit* for a building subject to compliance with the *Act*, the *Building Code* and any applicable law.
- c) The *Chief Building Official* may require the *applicant* and/or the *owner* to enter into a conditional *permit* agreement and provide financial security in the amount as determined by the *Chief Building Official*.

- d) The *Chief Building Official* is authorized to enter into conditional *permit* agreements and to execute such agreements on behalf of the *Town*.
- e) The conditional *permit* agreement may be registered on the title of the land to which it applies.

6.4 Sewage System *Permits*

- a) In addition to the requirements of Section 5.0, every application for a sewage system *permit* shall include a site evaluation unless otherwise specified by the *Chief Building Official*.
- b) The site evaluation shall include:
 - i. the name, address, telephone number and signature of the person who prepared the evaluation;
 - ii. a site plan showing the property dimensions, the location of the proposed sewage system and any existing sewage systems and septic tanks, setbacks to lot line, structures, wells, lakes, ponds, reservoirs, rivers, springs, streams, existing right-of-way, easements or municipal/utility corridors;
 - iii. site conditions such as the location of any unsuitable, disturbed or compacted areas and areas of potential flooding; and
 - iv. soil properties such as soil permeability, the depth of bedrock and the depth of soil saturation.
- c) The *Chief Building Official* is authorized to enter into Holding Tank Agreements in accordance with the *Building Code* and to execute such agreements on behalf of the *Town*.

6.5 Change of Use *Permits*

- a) In addition to the requirements of Section 5.0, every application for a change of use *permit* shall submit the following:
 - i. Form B, Change of Use Application, and other required forms as set out in "Schedule 1" of this *By-Law*.
 - ii. complete plans and specifications, documents, and other information as required by Sentence 1.3.1.3.(5), Division C of the *Building Code*, Applicable Law, and as prescribed in "Schedule 2.1" and "Schedule 2.2" of this *By-Law*.

7.0 Transfer and Revisions to Applications and *Permits*

7.1 Transfer of *Permits*

- a) Upon change of ownership, *permit* applications and *permits* shall be transferable to a new *owner* with the approval of the *Chief Building Official*.
- b) The Transfer of *Permit* Application form found in "Schedule 1" of this *By-Law* shall be submitted along with the required fee as established in "Schedule 3" of this *By-Law*.

7.2 Revisions to Applications and *Permits*

- a) An *applicant* or *permit holder* shall give the *Chief Building Official* written notice of any material change intended to be made to any plan, specification, document or other information on which the application was made and *permit* issued, and the *applicant* or *permit holder* shall supply the *Chief Building Official* with details of such changes, and no *construction* shall be carried out in respect of the change until written authorization is obtained from the *Chief Building Official*.
- b) Notwithstanding the fact that construction or change has been made without authorization, the *applicant* or *permit holder* shall supply written notice to the *Chief Building Official* of any material change to any plan, specification, document or other information on which the application was made and *permit* issued, with details of all changes.
- c) The *Chief Building Official* shall determine if a revision to an application or *permit* may be subject to an additional fee in accordance with “Schedule 3” of this *By-Law*.

8.0 Revocation, Inactive and Dormant *Permits*

8.1 Revocation of *Permits*

- a) Where the *Chief Building Official* considers revoking a *permit* under Subsection 8(10)(b) or (c) of the *Act*, the *Chief Building Official* may give written notice by email and/or regular mail of the intention to revoke to the *permit holder* at their last known email and/or mailing address and, if on the expiration of thirty (30) days from the date of such notice, the ground for revocation continues to exist, the *permit* may be revoked without further notice and all submitted plans and other information may be disposed of. Fees shall be refunded in accordance with this *By-Law*.
- b) In reference to Subsection 8(10)(c) of the *Act*, “substantially suspended or discontinued” is to be measured from the date of the last documented site inspection.
- c) Within thirty (30) days of receipt of a notice of intention to revoke a *permit*, a *permit holder* may request of the *Chief Building Official* in writing, that the *Chief Building Official* defer the revocation of such *permit*, subject to the following conditions and processes:
 - i. a request for deferral shall set out the reasons why the *permit* should not be revoked and the date by which the work will be commenced, resumed or completed; and
 - ii. having considered the circumstances of the request and having determined that there have been no changes to the *Act* and the *Building Code* and any other Applicable Law which would have prevented the issuance of the original *permit*, the *Chief Building Official* may allow a deferral to a prescribed date and shall notify the *permit holder* in the same manner above.

8.2 Inactive *Permit* Applications

- a) Where an application for a *permit* remains incomplete or inactive for three (3) months after it is made, the *Chief Building Official* may deem it to be abandoned, and may return the application, plans and documentation to the *applicant* by email and/or ordinary mail at the address indicated on the application.
- b) Where an application has been deemed abandoned, the *Chief Building Official* may direct the *applicant* to pay any outstanding fees and if the outstanding fees are not paid within a reasonable time, it shall be paid by the *Town*, and collected in like manner and with the same priority as municipal taxes.
- c) Where an application for a *permit* remains incomplete solely due to the payment of the required *permit* fee and the work that is the subject of the application has been commenced or completed without benefit of a *permit*, the *Chief Building Official* may direct the *applicant* to pay any outstanding fees and if the outstanding fees are not paid within a reasonable time, it shall be paid by the *Town*, and collected in like manner and with the same priority as municipal taxes.

8.3 *Permit Dormancy*

- a) Where a *permit* has been issued and construction commenced, and the required inspections have not been requested for a period of six (6) months, the *Chief Building Official* may notify the *permit holder* of the intent to transfer the *permit* into *dormancy*.
- b) The *permit holder* will be provided an opportunity to schedule the required inspection prior to the *permit* being transferred to *dormancy*. Failing the scheduling of the required inspection prior to the established deadline, the *permit* will be transferred to *dormancy*.
- c) Once the *permit* is transferred to *dormancy* it will remain suspended from typical *permit* activity and become part of the inactive records.
- d) Should a *permit holder* or property owner require activity on a *dormant permit* they must request in writing to the *Chief Building Official* that the *dormant permit* be transferred to the active records and a required inspection be scheduled.
- e) The written request to transfer a *permit* from *dormancy* to an active record shall be submitted along with the required fee as established in “Schedule 3” of this *By-Law*.

9.0 Fees and Refunds

9.1 Fees

- a) Upon submission of a *permit* application, the *applicant* shall pay the required deposit fee as set out in “Schedule 3” of this *By-Law*.

- b) Prior to the issuance of a *permit* or any revision to a *permit*, the *applicant* shall:
 - i. provide proof of payment of any levies, charges and deposits; and
 - ii. remit the fees set out in “Schedule 3” of this *By-Law*.
- c) Every *permit* application that has been submitted after work has commenced, shall pay an additional late fee and the applicable *permit* fees in accordance with “Schedule 3” of this *By-Law*.

9.2 Refunds

- a) After a *permit* is issued and fees paid, and subject to 9.2(b), the *Chief Building Official* shall refund 50% of the building *permit* fee upon written request by the *permit holder*.
- b) There shall be no refund of *permit* fees where;
 - i. work has commenced and is abandoned thereafter;
 - ii. more than six (6) months has elapse from the date of permit issuance regardless of if work has commenced; or
 - iii. the *permit* has been revoked, except where a *permit* has been issued in error or the *applicant* requests cancellation in writing within six (6) months of the *permit* issuance.
- c) The “Permit Holdback Fee” identified in “Schedule 3” of this By-Law shall be refunded upon completion of the *permit* and subject to withholding of any “Inspection Fees” identified in “Schedule 3” of this By-Law.
- d) All service fees and *permit* deposits are non-refundable.

10.0 Inspection Notices

10.1 Permit Holder Responsibility

- a) The *permit holder* is responsible to ensure that the work site is safe, and the work performed is ready for inspection for each stage of construction as listed in “Schedule 4” prior to requesting the inspection.
- b) The *permit holder* shall notify the *Chief Building Official* of their readiness for inspection a minimum of two (2) business days in advance of each stage of construction as listed in “Schedule 4” of this By-Law.
- c) The *permit holder* shall provide the notice of completion as prescribed by Section 11 of the *Act*, or where occupancy is requested prior to completion the *permit holder* shall provide notice of inspection to ensure that the requirements of Section 11 of the *Act* and Subsection 1.3.3., Division C of the *Building Code* are complied with.

11.0 Registered Code Agencies

11.1 General Requirements

- a) The *Chief Building Official* is authorized to enter into service agreements with *Registered Code Agencies* to perform specified functions from time to time in order to maintain the time periods prescribed in the *Building Code*.

12.0 Limiting Distance Agreements

12.1 General Requirements

- a) The *Chief Building Official* is authorized to enter into Limiting Distance Agreements in accordance with the *Building Code* and to execute such agreements on behalf of the *Town*.

13.0 Hoarding and Covered Way for Construction Sites

13.1 General Requirements

- a) When *construction* or *demolition* activities constitute a hazard to the public and are located within a distance of 4.5 metres from a public way, a strongly constructed fence, boarding or barricade not less than 1.8 metres high shall be erected between the site and the public way and any open sides of the *construction/demolition* site.
- b) Fences placed within 1.0 metre of a public way shall be vertical, stable, structurally sound and free from accident hazards facing the public way and shall be without openings except those required for access.
- c) Boarding or barricade placed within 1.0 metre of a public way shall have a reasonably smooth surface facing the public way and shall be without openings except those required for access.
- d) Access openings through barricades shall be equipped with gates which shall be:
 - i. kept closed and locked when the site is unattended, and
 - ii. maintained in place until completion of the *construction* or *demolition* activity, or when the *construction* progresses to a point where the same level of security can be achieved by securing the *building*.

13.2 Covered Way Requirements

- a) Where the *construction* may constitute a hazard to the public, work shall not commence on the *construction*, alteration, or repair of a *building* until a covered way, as described in section 13.3 hereof, has been erected to protect the public, except where:
 - i. work is performed within a solid enclosure;
 - ii. the *building* is at a distance greater than 4.5 metres from a public way used by pedestrians; and

- iii. site conditions warrant a distance greater than provided in clause 13.2 a) ii) hereof.
- b) The covered way shall be subject to *permit* and encroachment agreement required by the Town's Public Works and Engineering Services Department.

13.3 Covered Way Construction

- a) A covered way shall:
 - i. have a clear height of no less than 2.4 metres;
 - ii. have an unobstructed width of 1.5 metres or the width of the public way, whichever is lesser;
 - iii. be designed and constructed to support safely all loads that may be reasonably expected to be applied to it, but in no case less than 2.4KPa on the roof;
 - iv. have a weather-tight roof sloped towards the construction site or, if flat, be equipped with a splash board no less than 300mm high on the street side; and
 - v. be totally enclosed on the construction site side with a structure having a reasonably smooth surface facing the public way.
- b) Where, in the opinion of the *Chief Building Official*, a *construction* site presents a particular and unique hazard to the public, the *Chief Building Official* may require the erection of such fencing as deemed appropriate to the circumstances.
- c) In considering the hazard presented by a *construction* site, the necessity for fencing, and its *construction*, the *Chief Building Official* shall have regard to:
 - i. the proximity of the *construction* site to occupied dwellings;
 - ii. the proximity of the *construction* site to lands accessible to the public, including but not limited to streets, parks, and commercial and institutional activities;
 - iii. the hazards presented by the *construction* activities and materials;
 - iv. the feasibility and effectiveness of the site fencing; and
 - v. the duration of the hazard.

14.0 Code of Conduct

14.1 Introduction

- a) This Code of Conduct applies to the *Chief Building Official* and inspectors appointed by the *Town* under the *Act*, in the exercise of a power or the performance of a duty under the *Act* or the *Building Code*. The purposes of this Code of Conduct are to promote appropriate standards of behavior and enforcement actions by the *Chief Building Official* and inspectors, to prevent practices, which may constitute an abuse of power, including unethical or illegal practices, and to promote appropriate standards of honesty and

integrity in the exercise of a power of the performance of a duty under the *Act*, or the *Building Code* by the *Chief Building Official* and inspectors.

14.2 Standard of Conduct

- a) In addition to any existing Code of Conduct Policy which the *Town* already has in place for its municipal employees, the *Chief Building Official* and inspectors of the *Town* undertake to:
 - i. act in the public interest, particularly with regard to the safety of *buildings* and structures;
 - ii. conduct themselves with a high degree of personal integrity and ethics, and in particular they should not place themselves, or *permit* themselves to be placed, in a position which would constitute, or on an objective basis give a reasonable apprehension, of a conflict of interest or breach of trust;
 - iii. exercise powers in accordance with the provisions of the *Act*, the *Building Code* and other applicable law that governs the authorization, *construction*, occupancy and safety of *buildings* and designated structures;
 - iv. apply all relevant *building* laws, regulations and standards in a consistent and fair manner, independent of any influence by interested parties;
 - v. act honestly, reasonably and professionally in the discharge of their duties; and
 - vi. not divulge any confidential or sensitive information or material that they become privy to in the performance of their duties, except in accordance with laws governing freedom of information and protection of privacy.

15.0 Repeal

15.1 Repealed By-Law

- a) By-Law number 2018-19 being “a By-Law respecting construction, demolition, change of use permits, inspections and related matters” is hereby repealed.

15.2 Applications under By-Law 2018-19

- a) Despite the repeal of By-Law 2018-19, any applications submitted prior to the passing of this By-Law, will continue to be processed under By-Law 2018-19.
