EXPLANATORY NOTE

By-law No. 2025-037 is an amendment to Zoning By-law No. 2065 pertaining to lands within the Manning Road / Tecumseh Road District (see Key Map below for location) that are associated with Initiative No. 3 of the Housing Accelerator Fund. The amendment rezones lands from “General Commercial Zone (C1)” and “Institutional Zone (I)” to a site-specific “General Commercial Zone (C1-10)”. In addition, the amendment introduces a definition of “Angular Plane”.

The new C1-10 zone permits multi-unit residential dwellings and mixed-use buildings not exceeding six stories in height. In addition, the C1-10 zone establishes lot/yard provisions related to minimum yard setbacks, maximum lot coverage, angular plane requirements and parking requirements.

The amendment will permit opportunities for multi-unit residential intensification and new mixed-use development and/or redevelopment on specific lands within the Manning Road / Tecumseh Road District.

The lands to which Zoning By-law No. 2025-037 applies are also the subject of Official Plan Amendment No. 6 (*Application/File: L11 FE – HAF 3*). That amendment introduces a new Special Policy Boundary Area for the Manning Road / Tecumseh Road District and establishes special land use policies to facilitate opportunities for multi-unit residential intensification and new mixed-use development and/or redevelopment. Official Plan Amendment No. 6 was adopted by Council on March 25, 2025 and has been forwarded to the County of Essex (the Approval Authority) for review and approval.

Effect of Public Input on Council’s Decision

No public comments/concerns that were received by Council, regarding this proposed amendment at the Public Meeting held on March 11, 2025, remain outstanding.
